Overall Score **A** 84.67%

Brand Index Analysis

RP70 competes in Pakistanâ€™s highly price-sensitive 70cc segment with strong emphasis on low cost and fuel efficiency (around 45 km/l). Its key strength is affordability compared to Honda, but it lags in durability, resale value, and brand trust. With basic features and minimal innovation, it serves as a practical short-term mobility solution rather than a long-term premium investment.
